

STEVE WILSON SUPER BAND

STEVE WILSON SUPER BAND is a reflection of Wilson's multifaceted artistry and versatility. Always striving to expand his artistry, throughout his career Wilson has put together bands featuring the most highly regarded musicians on the scene. Super Band is just that: pianist Patrice Rushen, bassist James Genus and drummer Billy Kilson, three of the most vibrant and creative voices in music today. With their collective experience in jazz, funk, R & B, and the pop world, expect the unexpected with this band. "That's why I call this Super Band – I don't want to put this into a certain category, I want free range for us all to explore, be creative, and most of all have fun." (Steve Wilson)
